Police Outshoot the Jailers Handily
--Jagstorf Wants a Sculling Race.

The police rifle team defeated the prison guards for the second time yesterday morning at Iwilei butta. Up to yesterday's shoot each team had a victory to its credit, and the last match decided the rubber and the championship.

The shooting, which commenced shortly after daylight, was of the closest description, as the following scores will show:

Police--Fernandez, 42; Captain Parker, 41; Muhleltner, 41; Lambert, 40; Hubbell, 39; Peahl, 38; Captain Kanae, 35; Lieut. Gardner, 35; Wills, 33; Naipo, 27. Total, 372.

Prison Guards--Kawai, 41; Cockett, 40; Keopuhiwa, 38; Puhi, 38; Kalahiki, 37; Makapo, 36; Kanahele, 35; Kealoha, 35; Kumukahi, 35; Kamanu, 27. Total, 362.

In the event of the jail team winning, Warden Henry had promised unlimited pig and beer to both teams. The victors are of the opinion that, as things have turned out, the luanu is on him just the same.

The First Regiment of the National Guard of Hawaii are kicking for a new shooting range at Kakaako. The old range was sacrificed to the Board of Health during the plague to be utilized as a place to practice. The companies have chosen a site for the new range about 300 feet beyond the old, and the next action to be taken in the matter lies with the Government.

Among local sporting men who left for Maui and Hawaii yesterday were: I. K. Wilson, J. Quinn, C. E. Egan, Will Vial and Maurice McLaughlin.

C. E. Egan, who recently purchased Loupe, says he did so with the intention of eventually taking him back to his old home in California. Loupe is a great favorite at the Coast and a number of horsemen started a subscription there a short time ago to pay the expenses of the old horse's passage home. If Loupe stands a preparation he will be sent for the Hilo free-for-all; failing that, he will be immediately shipped to California to be fixed and undergo a thorough course of veterinarian treatment. Loupe is now 11 years old and once defeated Liable, one of the most famous pacers America has ever produced.

Sonnet, C. E. Egan's recent purchase from Dr. E. A. Nichols, has been sent to Hilo to compete in the free-for-all trotting and pacing event there.

Among recent importations from the Coast now in training in Hilo are: Uncle True, Dixie Land, Virgie A., Billy McCloskey and Watessa. The last named is a half-sister to the famous Yellow Tail.

Aggravation and Leahl have been turned out until next year.

Mr. Jaeger intends to utilize Fred, Eros for road purposes. Next year he will be given another chance on the track.

Donohue, Bob Burns' training assistant, will remain in Honolulu for a while, to assist in the running of Long Branch, Waikiki.

The proposed meeting of yachtmen, which was to have been held last evening in room 16, Progress block, did not materialize. Mr. R. H. Brotherton has, however, drawn up a list of conditions to govern a yacht race to be sailed on July 4th, and will submit the same to boat-owners today for signature.

Governor Dole's yacht, the Bonnie Dundee, is lying off the Myrtle boat house in lamentable care. She is fast going to rack and ruin. Her bottom is covered with barnacles and seaweed, and the sun has cracked her deck and opened up the seams. She has been lying in her present mooring since before the quarantine, and the weeds that haunt her shrouds mean eternally Ewa, Ewa.

The Heianis have as yet shown no signs of life, but their rivals, the Myrtles, were out yesterday in barge and shell. It is reported that the Heianis have challenged the Myrtles for a barge race around the spar buoy and back.

C. W. Jarstorf, the California sculler, was out yesterday in the Myrtle's single shell. Mr. Jarstorf would be happy to row a race with Mr. Klebahn, provided that gentleman can spare the necessary time. If a race between these two single-shell experts could be arranged it would excite the interest of the entire boating community.

The Young Men's Christian Association paper-chase next Saturday afternoon promises to be a big success. There is a probability of a field of about thirty starters.

MATTERS IN THE COURTS.

Foreclosure Proceedings Are Begun Against W. H. Winchester.

Proceedings were begun yesterday by W. O. Smith and S. W. Wilcox against W. H. Winchester of Hilo to foreclose a mortgage given to secure a note of \$2,400 upon certain lots at Waikiki and Makiki.

Cecil Brown was yesterday appointed by Judge Stanley administrator of the estate of the late D. B. Smith. The estate is valued at \$100,000, and Mamie L. Smith is the sole heiress. Mr. Brown's bond was fixed at \$150,000.

S. Ahmi, guardian of the children of Luke Sang, has filed his final account and asked for his discharge. The account shows receipts of \$15,277.50 and disbursements of \$14,012.19, leaving a balance on hand of \$1,265.31.

The case of Keaumoku vs. F. Wundenberg has been dismissed by Judge Stanley.

William Blaisdell has appealed from the decision of Judge Stanley dismissing his case against I. R. Burns.

MUST REFIT BASEMENT.

Many Changes Necessary Before Ready for Offices.

It will require considerable work before the basement of the Executive building will be fit for occupation as offices. Lumber and junk of all kinds cumber nearly the whole of the lower floor. Several of the new officers of the Territory explored the basement yesterday to lay plans for the location of the new offices, but there was so much lumber and refuse in the way that they did not accomplish much.

The second District Court room will remain in its old quarters in the big room on the makai side. This was formerly occupied by the royal chamberlain. The room on the Ewa end on the mauka side is at present occupied by the United States postal officials. Marston Campbell, the road supervisor, will probably be located in the room at the Waikiki end on the mauka side.

Poll Tax Collections.

Poll tax returns have been better this year, says Tax Assessor Shaw, than any for several years past. A large amount will probably be lost next year owing to inability to collect from Asiatics who have no property. An additional property tax of one-half per cent may be necessary to make up the deficit, says Shaw.
